EASTGATE SDA CHURCH

NOVEMBER 2008

Predictions

Through the grapevine I heard about a prominent pastor who predicted that Jesus would return in September of 2008. This prediction obviously didn't come about. This pastor doesn't refer to this prediction anymore either.

Throughout the history of the Seventh-day Adventist church there have always been predictions. Some of them have come true, more have not. The fact that many of them have not come true has left many of us cynical about all predictions. Let's be careful not to throw the baby out with the bath water. There are

some predictions that are still very true.

"And we have the word of the prophets made more certain (in Christ), and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts" 2 Peter 1:19.

The word of the prophets is verified in the ministry of Christ. We are beginning a journey together at Eastgate through the final chapters of the book of Revelation written by the prophet, John. In this book are remarkable predictions, and they are true for they are

based on Christ.

As these predictions we will study about are being fulfilled it is important for us to continue to do the basics, Connect (with Christ), Grow (in the body), Serve (our community). When we are healthy in these areas the predictions don't scare us, they prepare us. Join me as we journey together through the book of Revelation, it will give us new reasons to Connect, Grow and Serve.

With Confidence in Christ,

Pastor Cary

Barn Party

We are excited to be able to have our "barn" party in an actual barn this year! The Saturno's have been very kind and are letting us use their wonderful barn for our hoe down on Nov 1st at 6:00 pm. (directions & more event details will be printed in the bulletin) Now we just hope everyone can join us cause there certainly is plenty of room for everyone! We will be

servicing a variety of delicious soups and if you're worried about keeping warm there will be plenty of hot drinks also.

There will be heaters too for those of you who are still worried.

Plus we have a special "rhythmic walk" planned to get our hearts pumping! As always we will have a variety of games to play and of

course, we will be having an "in the dark" maze again, thanks to Harry & Marlien's building skills. This is a come as you are or in disguise event. Meaning, wear your costumes if you like, just dress warm! Hope to see you all there!

Simple Solutions

Valia Sheidler, Simple Solutions September 2008

How have you increased your fiber intake this week? Were you surprised by what foods contain sugar? Do you know how much sodium is in one Taco Bell bean burrito?

Food samples and demonstrations, health talks, Q & A,

spiritual talks, DVD presentations provided a variety of learning opportunities for the 25 people who participated in our first *Simple Solutions* seminar.

Stay tuned for more learning opportunities as we explore the possibility of a themed buffet or cooking class with health tips. Together we can be healthy for life and avoid many killer

diseases.

Our next *Simple Solutions* seminar will be in the spring of 2009. Consider joining us and invite a friend to come with you. If you want to be contacted for our next health event, please leave your name, phone number or e-mail address at the church office.

Growing Up

Have you ever been around a Christian who was so happy and nice it made you sick? That was my experience in college. "That attitude can't be real," I sniped. "How can anyone be more Christian than me, a life-long Adventist?" I needed to grow up.

The Eastgate church has adopted a simple mission statement to capture the stages of Christian discipleship: Connect, Grow, Serve. Focusing on the second ele-

ment, we grow closer to Christ in growth groups as we "encourage one another to outbursts of love and good deeds", "demonstrating to the world that we are disciples of Christ." (Hebrews 10:24; John 13:35)

When we participate in growth groups--which include adult and youth sabbath schools and mid-week groups--we gain acceptance, instruction, authentic friendships, self-awareness, and recovery from addiction and

dysfunction. We prepare ourselves for healthy service.

Would you consider joining or starting a growth group? Fill out the communication card in the bulletin if you want more information, or visit the Resource Desk in the foyer.

In a group is where I want to be, because I have more growing to do. May the Eastgate church be known as a place where God is changing lives.
